THE BUSINESS TIMES

Wine Night

Presented by HSBC

Embark on a privileged journey into the world of fine wines. Together with HSBC Visa Infinite, The Business Times will take you on a private tour of Italy, France, Australia, New Zealand, Chile and California through an exceptional collection of reds and whites.

Join us at JetQuay CIP Terminal, a private terminal for elite jet-setters, where international wine specialist Mr Lim Hwee Peng will share insights into the wines that he has selected to pair with the gourmet dishes for the evening.

So don't miss this exclusive opportunity to savour fine food and wines while you network with your fellow CEOs, senior BT and SPH executives.
